

Give From Your IRA

Qualified Charitable Distributions (QCDs)

Are you age 70½ or older? You may be able to support Friends of Rockville Fish and Game Club directly from your IRA through a Qualified Charitable Distribution (QCD). A QCD can be a tax-efficient way to make a charitable gift while supporting the Club, its property, programs, and traditions for future generations.

What Is a Qualified Charitable Distribution?

A QCD allows an eligible IRA owner to direct money from an IRA straight to a qualifying charitable organization. When the applicable requirements are satisfied, the distribution is generally excluded from federal taxable income. For individuals who must take a Required Minimum Distribution (RMD), a QCD can also count toward satisfying all or part of that annual requirement.

Why Consider a QCD?

- Support Friends of Rockville Fish and Game Club directly from retirement assets.
- A qualifying distribution is generally excluded from federal taxable income.
- A QCD may satisfy all or part of your annual RMD.
- You may receive the federal tax benefit even if you do not itemize deductions.

How Do I Make a QCD?

1. Contact your IRA custodian. Tell the financial institution that manages your IRA that you would like to make a Qualified Charitable Distribution to Friends of Rockville Fish and Game Club.
2. Provide our information. Give your custodian the legal name, EIN, and mailing address shown below.
3. Choose your gift amount. Instruct your custodian to send the contribution directly to Friends of Rockville Fish and Game Club. Ask your custodian about processing times and any year-end deadlines.
4. Let us know. Please tell us that you have initiated a QCD so we can identify and properly acknowledge your contribution.
